II General Information about Data Processing

Processing of Personal Data

The processing of personal data of applicants is limited to the data that you have provided to us by submitting your application documents.

Your Rights (Rights of the People Concerned)

You have the right to demand information from us about the personal data we process relating to you. In particular, you may demand information about the purposes of the processing, the category of personal data that is being processed, the categories of recipients to whom your data has been or will be disclosed, the planned storage period, the existence of a right to rectification, erasure, limited processing or objection, the existence of a right to complain, the origin of your data, insofar as these were not gathered by us, as well as the existence of an automated decision-making procedure including profiling. If you have agreed to the processing of your data, you may revoke this at any time. If you believe that the processing of your data infringes existing data protection laws or violates your data protection rights in any way, you have the right to complain to the supervisory authority.

Contact details of the supervisory authority:

Datenschutzstelle Liechtenstein, Kirchstrasse 8, Postfach 648, FL-9490 Vaduz, Fürstentum Liechtenstein
Phone: + 423 236 60 90, E-Mail: info.dss@llv.li

III Definition and Extent of the Data Processing

Data Collection from Job Applicants

We inform you that your personal data such as name, title, address, telephone number, date of birth, education, occupation, salary expectations as well as data and images contained in the cover letter, CV, motivation letter, certificates or other documents sent to us may be processed for the purpose of our personnel selection.

Legal Basis

Data processing is based on the statutory provisions of Art. 6 (1) (a) (consent) and (b) (required for contract fulfilment) GDPR. If an applicant wishes to be admitted to a pool of applicants for possible later cooperation, we need the consent in accordance with Art. 6 (1) (a) GDPR.

Information Disclosure

Your data will not be passed on to third parties without your consent. There is also no automated decision-making pursuant to Art. 22 GDPR.

Storage Period

If you are not employed, we will delete your data within 6 months.

Update

We reserve the right to adapt this Data Privacy Statement and publish it on our website. The version published on our website shall be authoritative.

IV Data Security

We implement technical and organizational measures appropriate to the risk, including role-based access management, encryption during transfer and storage, logging/monitoring, separation of environments, backup/emergency concepts, regular tests/audits, and employee training. No absolute security can be guaranteed; we continuously improve our security measures in line with the latest technology and regulatory requirements.
